

**Compulsory Testing Notice
Restricted Areas / Specified Premises**

Notes: For most updated information, please also refer to [daily press releases](#).

- **Restricted areas:** Subject to the epidemic development and the need for infection control, the Government will delineate restricted areas and make a "restriction-testing declaration". Persons within the areas are required to stay in their premises and undergo compulsory testing in accordance with the arrangement by the Government, and can only leave after the relevant test results are mostly ascertained. All premises within the restricted areas, whether or not confirmed cases were found therein, would be included in the compulsory testing notice. Any person who had been present in the restricted area for more than two hours in the past 14 days (including but not limited to visitors, residents and workers) have to also undergo compulsory testing.
