All You Need To Know

Boarding and quarantine arrangements for persons arriving at Hong Kong under "vaccine bubble" concept effective from 30 June 2021 at 0.00am

The boarding and quarantine arrangements applicable to a person arriving at Hong Kong depend on:

1. Whether the person arriving at Hong Kong is a Hong Kong resident (HKR)

2. What places the person arriving at Hong Kong has stayed in on the day of boarding for/arrival at Hong Kong or during the 14 days before that day (including those arriving at Hong Kong via land boundary control points or the airport)

3. Whether the person arriving at Hong Kong is fully vaccinated

4. Whether the vaccinated person possesses positive result proof of a recognised serology antibody test conducted within the past 3 months (if applicable)

Persons arriving in Hong Kong who have only stayed in the Mainland, Macao or Taiwan (excluding those under the “Return2hk” or “Come2hk” Scheme)

* For persons who have been to at-risk place(s) in Mainland China that are temporarily inapplicable (https://www.chp.gov.hk/files/pdf/at_risk_places_temporarily_inapplicable_underreturn2hk.pdf) in the past 14 days, shortening of compulsory quarantine period for fully vaccinated persons will not be applicable.

# If arriving via the airport, “Test and Hold” will be required on the day of arrival.
