Email Subject: **Airline submission to the DH under Cap. 599H** ([flight no.]_ of
[Name of Airline])

Attn: Department of Health

Under the Prevention and Control of Disease (Regulation of Cross-boundary Conveyances and Travellers) Regulation (Cap. 599H), the following information is submitted on behalf of the operator of the aircraft.

Name of Airline:

Flight no.:

Estimate Date and Time of Arrival (Hong Kong Time): [dd/mm/yyyy] [xx:xx]

Scheduled Date and Time of Departure (Local Time): [dd/mm/yyyy] [xx:xx]

No. of “relevant travellers from certain places” on board:

Specified certain places involved:

No. of “relevant travellers from the United Kingdom or South Africa” on board:

No. of travellers from “any other country except China” on board:

The operator of the above aircraft confirmed that each “relevant traveler from certain places” has, before being checked-in for the flight to Hong Kong on that aircraft, produced for boarding on the aircraft the documentary proof to show that the conditions specified in (B)(1) and (2) of the relevant Gazette Notice are met (as below):

(B)

(1) *the relevant traveller from certain places provides the following documentary proof :*

(a) *the test report in English or Chinese issued by a laboratory or healthcare institution bearing the name of the relevant traveller from certain places identical to that in his/her valid travel document to show that:*

(i) *the relevant traveller from certain places underwent a nucleic acid test for the coronavirus disease 2019 (“COVID-19”) the sample for which was taken from the relevant traveller from certain places within 72 hours before the scheduled time of departure of the specified aircraft;*

(ii) *the test conducted on the sample is a nucleic acid test for COVID-19; and*

(iii) *the result of the test is the relevant traveller from certain places was tested negative for COVID-19; and*

(b) *if the report in paragraph (a) above is not in English or Chinese or does not contain all of the information in sub-paragraphs (a)(i) to (iii) above, a written confirmation in English or Chinese*

issued by the laboratory or healthcare institution bearing the name of the relevant traveller from certain places identical to that in his/her valid travel document and setting out all of the information in sub-paragraphs (a)(i) to (iii) above. The said written confirmation should be presented together with the test report mentioned in paragraph (a) above; and

(c) documentary proof in English or Chinese to show that the laboratory or healthcare institution is ISO 15189 accredited or is recognised or approved by the relevant authority of the government of the place in which the laboratory or healthcare institution is located; and

(2) the relevant traveller from certain places has confirmation in English or Chinese of room reservation in a Designated Quarantine Hotel/Guesthouse^[Note 1] in Hong Kong for not less than 21 nights starting on the day of the arrival of the relevant traveller in Hong Kong

The operator of the above aircraft confirmed that each “relevant traveller from the United Kingdom or South Africa” has, before being checked-in for the flight to Hong Kong on that aircraft, the following conditions specified in (C)(1), (2) and (3) of the relevant Gazette Notice (as below):

(C)

*(1) The relevant traveller from the United Kingdom or South Africa has not stayed in the United Kingdom or South Africa for more than two hours on the day on which the person boarded a specified aircraft or during the 21 days before that day (**the Period**);*

(2) The relevant traveller from the United Kingdom or South Africa provides the following documentary proof:

(a) the test report in English or Chinese issued by a laboratory or healthcare institution bearing the name of the relevant traveller from the United Kingdom or South Africa identical to that in his/her valid travel document to show that:

(i) the relevant traveller from the United Kingdom or South Africa underwent a nucleic acid test for COVID-19 the sample for which was taken from the relevant traveller from the United Kingdom or South Africa within 72 hours before the scheduled time of departure of the specified aircraft;

(ii) the test conducted on the sample is a nucleic acid test for COVID-19; and

(iii) the result of the test is the relevant traveller from the United Kingdom or South Africa was tested negative for COVID-19; and

(b) if the report mentioned in paragraph (a) above is not in English or Chinese or does not contain all of the information mentioned in paragraphs (a)(i) to (a)(iii) above, a written confirmation in English or Chinese issued by the laboratory or healthcare institution bearing the name of the relevant traveller from the United Kingdom or South Africa identical to that in his/her valid travel document and setting out all of the information mentioned in paragraphs (a)(i)

to (a)(iii) above. The said written confirmation should be presented together with the test report mentioned in paragraph (a) above; and

(c) documentary proof in English or Chinese to show that the laboratory or healthcare institution is ISO 15189 accredited or is recognised or approved by the relevant authority of the government of the place in which the laboratory or healthcare institution is located; and

(3) The relevant traveller from the United Kingdom or South Africa has confirmation in English or Chinese of room reservation in a Designated Quarantine Hotel/Guesthouse ^[Note 1] in Hong Kong for not less than 21 nights starting on the day of the arrival in Hong Kong of the relevant traveller from the United Kingdom.

The operator of the above aircraft confirmed that each traveller from “any other country except China” has, before being checked-in for the flight to Hong Kong on that aircraft, produced for boarding on the aircraft the documentary proof to show that the conditions specified in (D)(1) of the relevant Gazette Notice are met (as below):

(D)

(1) The relevant traveller from the rest of the world has confirmation in English or Chinese of room reservation in a Designated Quarantine Hotel/Guesthouse ^[Note 1] in Hong Kong for not less than 21 nights starting on the day of the arrival in Hong Kong of the relevant traveller from the rest of the world

Note 1:

The Designated Quarantine Hotels/Guesthouses as published on the Government’s thematic webpage on Designated Hotels for Quarantine (www.designatedhotel.gov.hk) refer.
