*Congratulations, you have successfully downloaded your Vaccination Certificate Version 1.

The design of the Vaccination Certificate will be enhanced to ensure that it remains up-to-date with local and international standards. You will therefore have to download your updated vaccination certificate to ensure that it remains up-to-date. The Department of Health will advise on the availability of newer versions of Covid-19 vaccination certificates as they become available.

*The QR Code generated is not intended to be readable by the general public, it is meant to be used by entities requiring to verify the certificate's validity, using a Vaccine Certificate System inbuilt QR scanner which will be available in the near future.
