

How To Get My Recovery Record QR Code

A Recovered persons can request Recovery Record through "iAMSmart" or "https://www.evt.gov.hk/"

For iAMSmart user

1. Login to "iAM Smart" in your mobile device
2. Choose "COVID-19 Electronic Vaccination and Testing Record System" service
3. Press "COVID-19 Recovery Record", your electronic Recovery Record will be displayed if relevant record exists

For website user

1. Enter the website address: <https://www.evt.gov.hk/>
2. Press "COVID-19 Electronic Testing Record / Recovery Record" icon on the left
3. Press "COVID-19 Recovery Record"
4. Read and agree to the Personal Information Collection Statement
5. Choose and fill in the required information, including "Identity Document Type", "Identity Document No.", "Date of Issue" / "Date of Birth" (as appropriate) and "Month of the Date of Infection or Discharge"
6. Verify all inputted information and press "Submit" button
7. The electronic Recovery Record will be displayed if inputted information is correct
8. You may save the electronic Recovery Record in your computer or mobile device

B Persons holding the Recovery Record QR Code can save it into "LeaveHomeSafe" (LHS) for easy access

1. Select "Electronic Vaccination and Testing Record" in LHS
2. Select "Add Vaccine Pass"
3. Scan the Recovery Record QR Code
4. Recovery Record QR Code can be shown using LHS
